Dental Hygiene Program
c/o Maryann Tran
7200 66th Stret North
Pinellas Park, FL 33781

DENTAL UNITS: Candidates will be assigned a numbered dental chair, which includes one delivery unit equipped with an internal cavitron unit and sleeve, and one operator stool.

RENTALS: Equipment and instruments are not available for rental. Candidates are responsible to supply their own. It is highly recommended that the candidate bring a second set in the case that an instrument breaks during the exam.

DENTAL UNIT MALFUNCTIONS: Report any equipment malfunctions to the Chief or CFE. A dental equipment repair technician or dispensary staff member will provide assistance as soon as possible.

INFECTION CONTROL: Universal infection control guidelines and Personal Protective Equipment (P.P.E.) and guidelines should be observed during the CDCA-WREB-CITA exam at MDC Medical Campus. This includes standard OSHA standards and guidelines.

- COVID-19 PRE-SCREENING INSTRUCTIONS: n/a

- MEDICAL EMERGENCY PROTOCOL: In the case of a medical emergency, notify the examination chief immediately. The chief will notify the college staff person on site who will assess the emergency and notify campus security. If emergency medical personnel are needed the campus security will call 911. The college staff person will access any emergency equipment needed, including the emergency medical kit which is located in the clinic dispensary and oxygen which is available in the clinic.

- SUPPLIES PROVIDED IN CLINICS:
 - Disposable gown (one size fits all)
 - Disposable air/water syringe tip
 - Gloves (XS, S, M, L, XL)
 - Disposable face masks

Candidate must bring the following:

- Must use 30k ultrasonic inserts only (handle provided)
- Eye protection (safety glasses) for the candidate, magnifying loupes and light
- If candidate wears a specific glove brand/size- they must supply their own and gloves must be non-latex
- Dental hygiene scaling instruments
