Concorde Career College-Aurora
4300 N. Kittredge St, Suite 100
Denver Co 80239

For further information about Concorde Career College-Aurora, please contact:
720-222-2094

Please do not call for interpretation of the Candidate Manual provided by the ADEX. Questions regarding the examination process (e.g., registration, availability, content, paperwork or forms, etc.) should be directed to ADEX. **DO NOT contact the school to ask about registering for the exam or for permission to test at their location**. All such questions and requests must be submitted to ADEX via Contact Us.

☐ VISITOR PARKING: Parking is in large lot; you will see Concorde Dental Hygiene Clinic. Enter through the double doors. Ring the doorbell.

☐ FACILITY FEE COLLECTION
The facility fee will be collected by ADEX during candidate online registration.

Outside Candidates:	$200

☐ HOOKUPS: Concorde features magnetostrictive ultrasonic scaling units with a 30K lavage knob for lavage control/adjustment. The lavage knob accepts Dentsply® Cavitron® Brand/Type 30K TFI, P, SLI, and FSI ultrasonic inserts. If you are still in doubt about what types of tips to obtain Concorde commonly uses the Cavitron THINsert 30K CTI-10S (Reorder 81551), the SlimLINE 30K FSI-SLI-10S (Reorder 80395), and the PowerLINE 30K FSI-PWR-1000 (Reorder 80799). **Note: All Ultrasonic Scalers available for candidate use are provided for utilizing magneto strictive technology.** This fee includes site fee. Please familiarize yourself with the application, limitations, and restrictions of this technology before you arrive at the examination site.

☐ DENTAL UNITS: All of the units have chairs, lights and delivery systems.

☐ DENTAL UNIT MALFUNCTIONS: Report any equipment malfunctions to the Chief or CFE. A dental equipment repair technician or dispensary staff member will aid as soon as possible.

☐ AIR/WATER SYRINGE: CONCORDE provides and uses disposable air/water syringe tips for the examination. If you prefer metal air/water syringe tips you should plan accordingly and bring them to the exam with you as CONCORDE does not provide them. Concorde does not have the adaptor for metal air water syringes.

☐ INFECTION CONTROL:

Surface Asepsis

- Handles of the unit light, radiographic tube heads, chair head and chair controls must be covered with either clear plastic barrier wrap or aluminum foil.
- The patient chair, dental unit, counter tops, and operator stool should be disinfected with disinfectant wipes.
- Disinfectant wipes, plastic/barrier headrest covers, and plastic/barrier wrap are provided by Concorde for all candidates free of charge.
- Disposable plastic over gloves are available (free of charge) for candidates upon request.
    - Universal infection control guidelines and Personal Protective Equipment (P.P.E.) and guidelines should be observed during the ADEX exam. This includes standard OSHA standards and guidelines.

Personal Protective Equipment

- Appropriate protective equipment (which includes disposable gowns) is provided/available by the school (one per day free of charge) and must be worn in all occupational exposure situations.
- Disposable gloves, masks, and gowns will be available on the clinic floor free of charge during the examinations.
- Candidates must provide their own OSHA-acceptable protective glasses. Please note that the school does <u>not</u> provide disposable side shields for glasses.

☐ MEDICAL EMERGENCY PROTOCOL: All candidates should familiarize themselves with the location of the oxygen/emergency cart (medical emergency kit) and the first aid kit. During the examination, the emergency cart/first aid kit is in the DH clinic and the AED are located in hallway by reception office**. <u>In the event of an emergency, the procedure is:</u>**

- Verbally notify the ADEX Floor Assistant, School Coordinator or Chief Examiner of the emergency.
- Make sure someone calls the local 9-1-1 (notify EMS).
- Administer oxygen (O2) from the green oxygen cylinder located next to the medical emergency kit.
- Administer Basic Life Support (BLS) until EMS arrives.

☐ SUPPLIES PROVIDED IN CLINICS: A list of expendable materials supplied by the school for candidate use in the clinic and sim labs (the minimum this list must include are all items listed in Appendix A).
