## 2. Preparing for the Exams

### a. Local Anesthesia Exam

- **Equipment, Instruments and Expendable Dental Materials:** Refer to the respective Local Anesthesia Candidate Guide for a list of materials and armamentarium that the Candidate must provide.
  - A. **Air/Water Syringe Tips:** Disposable air/water syringe tips are available and are provided under the school use fee.
  - B. **Expendable Materials:** Expendable dental materials supplied by the school are noted in **Appendix B.** (items not listed are responsibility of Candidate).
- **Sterilization Services:** Sterilization services are available for the entirety of the exam. Specific timeframes for completion of sterilization are not guaranteed, and Carrington is not responsible for lost or damaged items. **Candidates retaking onsite will need their instruments sterilized prior to retake.**

## 3. During the Clinical Exam

- **Dental Operatory Units:** Dansereau, Model: DHP.
- **Infection Control (Surface Asepsis):** There are a variety of plastic disposable barriers available for candidate use. Discide wipes (or equivalent) are available for disinfection of counter tops and dental equipment.
  - A. **Hazardous Waste Disposal (exam-type specific):**
    - **Local Anesthesia:** Blood/saliva-soaked waste should be placed in available biohazard bags at each workstation, and disposed of in designated biohazard bins located in the clinic lab, and on the clinic floor.
  - B. **Sharps Disposal:** Sharps containers are located on each countertop in the clinic. All sharps and anesthetic cartridges should be disposed of in receptacle closest to the candidate's working area.
    - **Emergency Medical Equipment:** Oxygen tank in clinic area, Biohazard Spill Kit, First Aid kit clearly marked in clinic cupboard. Ice packs located in freezer of faculty lounge. Call 911 in case of emergency or Tiffany Clark (208) 293-6928

for Candidate use.

**A. Expendable Materials:** Expendable dental materials supplied by the school are noted in **Appendix A**.

- **Sterilization Services:** Sterilization will be open and available throughout each day. **Candidates retaking onsite will need their instruments sterilized prior to retake clinic entrance.**

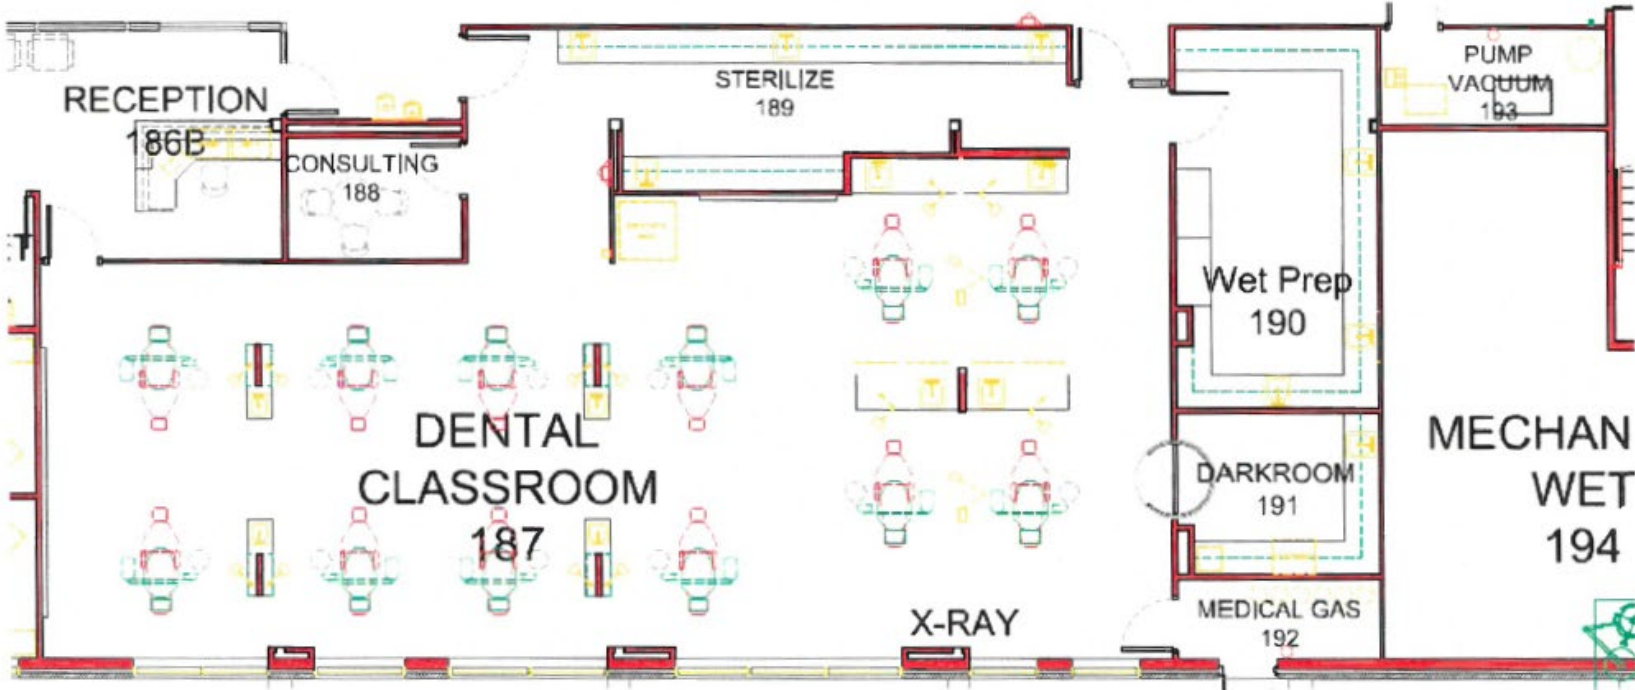

#### 4. Travel and Lodging Information

- **Airport Information:** Twin Falls Airport or Boise Airport (120 Miles away)
- **Ground Transportation:** Taxi or Uber
- **Hotel Accommodations:** Many hotels including La Quinta Inn, Hilton Garden Inn, Hampton Inn and Red Lion.

#### 5. Campus Map: Health Sciences & Human Services. [C:\Users\scutler\Dropbox\CAD Drawings\Campus Map 2016-07-20 Layout1 \(1\) \(csi.edu\)](C:\Users\scutler\Dropbox\CAD Drawings\Campus Map 2016-07-20 Layout1 (1) (csi.edu))

6. **Clinic Floor Plan:** Patient waiting area is located in large/wide hallway outside of clinic with chairs set up. Reception/waiting area can be used as well if needed. Candidates will take exam in the Dental Classroom (#187) where there is 8 operatories. There is a single bathroom located inside the reception area, as well as bathrooms located in hallway across from dental clinic. Emergency equipment will be in Dental Classroom/operatories area
