

Medical University of South Carolina James B. Edwards College of Dental Medicine

We welcome you to the Medical University of South Carolina, James B. Edwards College of Dental Medicine located at 173 Ashley Ave, Charleston, SC 29425. Our main responsibility to candidates is to provide a comfortable facility in which to take your CDCA-WREB-CITA administered ADEX examination. Requirements for the examination and grading of the examination are determined solely by the testing agency governing your licensing exam.

This facility is Latex Free.

2023 Dental Facility and Equipment Fees

All Fees must be paid to CDCA-WREB-CITA.

\$600.00 – Full Exam Facility Fee for MUSC candidates (Only Restorative Manikin and Perio Manikin - \$300, or Only Fixed Pros/Endo Manikin only - \$300). MUSC students only need to pay this one time.

\$600.00 – Full Exam Facility Fee for Non MUSC candidates (Only Restorative Manikin and Perio Manikin - \$300, or Only Fixed Pros/Endo Manikin only - \$300).

The College will supply all material and equipment that the dental candidate needs to complete the exam. Eye protection is the responsibility of the candidate. All equipment must be turned in at the end of the exam.

\$350.00 – Fixed Pros/Endo Manikin Equipment Fee for Non MUSC candidates (includes instruments and an NSK electric handpiece). This fee is mandatory if taking the Manikin portion of licensing exam. **We use electric and rotary handpieces at our dental school.** Endo files are available with the exception of files greater than 25mm. This fee will be paid directly to MUSC.

\$350.00 – Rest/Perio Equipment Rental Fee for Non MUSC candidates (Instrument usage and sterilization). This fee is mandatory if taking the Rest/Perio portion of licensing exam. All supplies will be provided to complete either Exam. Note: **Our SIM Lab is not set up for Piezo ultrasonic instruments at this time.** (instruments and equipment are listed later in this document). This fee will be paid directly to MUSC.

2023 Dental Candidate Information

All candidates must strictly adhere to all College of Dental Medicine guidelines concerning barrier protection and instrument/equipment sterilization. You must provide your own required eye protection.

CDCA-WREB-CITA will provide an Acidental Typodont to candidates taking the manikin exam. Both manikin exams will be held in the Simulation Lab – BSB, BS540 5th Floor. MUSC will provide the shroud.

Storage - We do not have storage facilities for your instruments or equipment.

The Dental Maintenance department will be available for technical support. Should you have any questions concerning the usage of any equipment, please call (843) 792-2255.

Candidates are welcome to visit our facility during the week of the Board at the following times. An appointment is required. Please call (843) 792-2255. **Tuesday, 8:00 AM – Noon, Wednesday 5:00-6:00 PM or Thursday 5:00-6:00 PM.**

Registration will be administered by CDCA-WREB-CITA. (Please refer to your manual for time schedules).

Patient Exam only – NOT Administered IN 2023 at MUSC. MUSC is only offering the Restorative Manikin versus Live Patient

DIRECTIONS TO MUSC

I-26 FROM THE WEST

Take I-26 East to Charleston. At the end of the interstate, take exit #221A/17S. Get in the right hand lane. After first traffic light, take the Rutledge Avenue exit to the right. Go .5 miles. Turn right on Bee Street. MUSC is two blocks ahead.

HIGHWAY 17 FROM THE NORTH

Take Highway 17 South to Charleston. Take Rutledge Avenue exit to right. Go .5 miles. Right on Bee Street. MUSC is two blocks ahead.

HIGHWAY 17 FROM THE SOUTH

Take Highway 17 North into Charleston. Cross Ashley River Bridge and the overpass. At second light, turn right on President Street. MUSC is one block ahead.

HIGHWAY 171 FROM THE EAST

Take Highway 171 (Folly Road) heading west to Charleston/downtown. Exit onto James Island Connector (Hwy 30). At connectors end, get in left lane. Follow Calhoun Street signs. At second light, turn left on Jonathan Lucas Street. You will be on the MUSC campus.

HIGHWAY 61 FROM THE WEST

Follow Highway 61 East. Stay in the left lane, headed to downtown Charleston (Hwy 17 N). Cross Ashley River Bridge and the overpass. At second light, turn right on President Street. MUSC is one block ahead.
