2023 MANIKIN EXAM

ATTENTION ADEX CANDIDATE:

It is important that you understand your responsibilities as an ADEX candidate at this testing site. Review the following material thoroughly.

FACILITY FEE: CDCA-WREB-CITA

The University of Florida, College of Dentistry (UFCD) is not the administrator of the examination, but merely the facility that CDCA-WREB-CITA has contracted to use in order for this board to administer the examination. The \$200.00 facility fee that you have been charged covers the cost of the use of the facility for the examination. Non-UFCD candidates will not be able to enter the clinics prior to the exam day. (Clinics will be in use for UFCD patient care)

Please note that this location does not allow assistants in the Simulation Lab.

SIMULATION LAB EQUIPMENT, INSTRUMENTS & MATERIALS:

The simulation unit equipment/supplies provided at UFCD:

- Front delivery style units with
 - Air/water (Pinnacle Seal Tight only)
 - There is one hose to be used with BOTH the high speed and low speed handpieces (one at a time). Both handpieces (**handpieces must be supplied by the candidate**) must be a **Midwest or similar 4-5 hole back-end**.
- Operator stool.
- Counter top space
- Paper towels, hand soap, hand sanitizer, white butcher paper, surface disinfectant, and nitrile exam gloves.

The candidate must supply the following when testing at UFCD:

- All disposable supplies
 - Infection control products:
 - Minimal PPE requirements= Face masks, eye protection, cover gown, gloves
 - Candidates may wear more if this makes them more comfortable, the room temperature is typically very cool.
 - Saliva ejectors, HVE suction tips
 - Any additional disposable items the candidate may need to perform the procedure, such as: Cotton rolls, gauze, cotton tip applicators, rubber dam, etc.... procedure specific materials.
- All dental instruments and dental materials the candidate plans to use for the examination procedures, including all check-in/check-out instruments and carrying cases.

2023 MANIKIN EXAM

Review the ADEX Candidate Manual for the specifics about what CDCA-WREB-CITA requires for check-in and grading instruments and supplies.

- Handpieces:
 - Simulation Laboratory and Clinics:
 - There is only one hand piece hose on our Simulators and dental units. It is a 5-hole fiber optic hose. The candidate will need to switch out their High speed and Low speed hand pieces with that one hose.
- Candidates seeking an onsite option for instruments and materials please scroll to the bottom and note the middle column in the following link: [Florida ADEX Board Preparation Course » Continuing Dental Education » College of Dentistry » University of Florida \(ufl.edu\)](#)

INFECTION CONTROL:

As a candidate for the dental board exam in the state of Florida, you are expected to know the OSHA, EPA and Florida DOH regulations and ADA/CDC standards with regards to infection control. At UFCD we practice Spray-Wipe-Spray (Wipe-Discard-Wipe) and we provide paper towels and surface disinfectant to complete the task.

Candidates not cleaning their work area after the exam will be reported to CDCA-WREB-CITA, and assessed a “clean-up fee” by the College of Dentistry and appropriately billed \$50.00 for this service.

DENTOFORM SPECIFICS: At UF College of Dentistry, the Acidental Dentoform will be used.

UNIVERSAL MASKING: In accordance with the CDC guidelines for healthcare settings, all persons must wear a disposable surgical facemask when the University of Florida, College of Dentistry. Any asymptomatic person recently exposed to another person who has COVID, must wear a N95/KN95 when in an allied health center location. Additionally, we ask that you respect social distancing and hand hygiene standards when you are at the University of Florida, College of Dentistry.

Optional:

Florida ADEX Board Prep Course [Florida ADEX Board Preparation Course » Continuing Dental Education » College of Dentistry » University of Florida \(ufl.edu\)](#)
