## Preparing for the Clinical Phase of the Examination

Candidates will be using the Weber State University dental hygiene clinic. Each candidate will be assigned a numbered operatory that corresponds to his or her numbered I.D. badge issued prior to the start of the exam. Each operatory is equipped with one dental chair, one delivery unit equipped with air/water syringe, and one operator's stool. All equipment malfunctions that take place during the examination should be immediately reported to the Chief Examiner.

### DENTAL EQUIPMENT RENTAL AND HANDPIECE CONNECTIONS:

**Ultrasonic Scaling Equipment:** The clinic has A-Dec dental units all equipped with 30K Cavitron built in and are available for use during the exam. DENTSPLY Cavitron® insert tips are not part of the use of the ultrasonic unit. ***Candidates are responsible for providing all 30K insert tip/s for their own use. No insert tips are available for rent.***

**\*plan in advance for this instrument purchase** (purchase through dental suppliers)

**\*If a candidate is providing their own Ultrasonic scaling equipment/unit:** an A-Dec quick disconnect plug must be on the hose to connect to the dental unit.

**Handpieces:** A-DEC two-hole, two pin slow speed hand piece connection is needed for handpieces to adapt to the dental tubing on the dental unit. No quick disconnect plugs or hoses are available.

### SUPPLIES THAT ARE PROVIDED BY THE CLINIC

#### Central supply cabinet

Each bay in the clinic has 4 dental units and a central supply cabinet. All disposables provided by the clinic are located in this cabinet or in the top two drawers at each unit.

The clinic tour at orientation will include identification of the location of all supplies that are available to you.
