

### REMINDERS

1. At least one (1) modification to remove caries has been granted and completed.
2. All caries have been removed except directly over the pulp.
3. If **GRANTED**, NO additional alterations to preparation except to place the pulp cap.
4. If **NOT GRANTED**, the preparation will be sent to grading.

## INDIRECT PULP CAP FLOW CHART

**Indirect Pulp Cap Request Form**

- “**What**” – Describe technique and materials to be used
- “**Where**” – Indicate location accurately
- “**Why**” – e.g., Exposure will likely occur by removing remaining caries
