What is the ADEX Exam?

Developed to demonstrate readiness for safe practice, the ADEX Exam is a required competency standard for dental licensure applicants in the United States.

Show your proficiency in five areas:

- Periodontal Scaling
- Endodontics
- Prosthodontics
- Restorative
- Didactic/Treatment Planning

Why take the ADEX Exam?

Taking the ADEX exam provided by the American Board of Dental Examiners is a powerful way to validate your skills and set yourself apart as a top-tier Dentist. By passing this rigorous assessment, you will not only enhance your credibility but also demonstrate your commitment to excellence.
