

AMERICAN BOARD of
DENTAL EXAMINERS

SUPPORTING STATE BOARDS' MISSION TO PROTECT THE PUBLIC

Administering fair, valid, and standardized national licensure examinations in the oral health professions.

- Accepted or required by law in 51 U.S. states and territories
- Hundreds of trained and calibrated examiners
- Exams accessible to all dental & dental hygiene candidates
- Nationally coordinated scoring and quality assurance

Who We Are

The American Board of Dental Examiners (ADEX) is a national, non-profit organization dedicated to protecting the public through ongoing collaboration with dental boards to administer evidence-based assessments.

We uphold the highest standards of fairness, validity, and reliability through uniform computer-based and clinical manikin hand skill examinations that state boards rely upon to determine licensure candidates' readiness for practice.

The organization is comprised of state dental board and educator examiners committed to integrity and public protection.

ADEX administers a comprehensive portfolio of clinical examinations used by dental boards across the United States and internationally. Examinations are continuously reviewed and refined by the Council on Examinations to ensure relevance, fairness, and clinical accuracy. Every state & territory is represented on the Council.

Our Mission

- **Assess**
Deliver psychometrically sound clinical examinations in dental and dental hygiene licensure. We deliver more than 24,000 assessments annually.
- **Support**
Support state regulatory agencies in standardizing and evaluating candidate competence.
- **Strengthen**
Strengthen public trust in the licensure process while enabling portability for professionals.

WHY BECOME AN EXAMINER?

State dental board members play a critical role by participating in the examination administration process. Participation in the American Board of Dental Examiners allows regulators to uphold public protection and contribute to national consistency in dental and dental hygiene competency standards. Engagement ensures that the licensure pathways align with real-world practice, regulatory priorities, and evolving standards of care.

WHAT IS THE COUNCIL ON EXAMINATIONS?

The ADEX Council on Examinations develops, reviews, and, when necessary and appropriate, revises the content, scoring, and criteria of the clinical dental and dental hygiene examinations for initial licensure for dentistry and dental hygiene. While the Council is comprised of examiners, its members are appointed by their state board.

➤ Council Appointment Eligibility & Term Length

Each state is asked to appoint a dentist and dental hygienist to the Council to serve three year terms. Persons who are current members of their state dental board, or have served within the past five years, are eligible to be appointed to the Council. Appointees will onboard with ADEX to access materials, information and be invited to examine. Active ADEX participation of five years or more is required to hold an office on the Council.

➤ Council Member Commitments & Expectations

The Council will meet in person during the ADEX Annual Meeting. Exam Committees will meet virtually in advance and may gather in person at the Annual Meeting event as well. Virtual meetings typically last one to two hours. The time requirement can vary slightly depending on what (if any) subcommittees the person is appointed to serve.

Participation in the examining process, and the Council on Examinations provides state board members insight into how their service protects the public, firsthand. Ask for a presentation to your board to learn more.
